

# Camino Travelers Part Two

Notes for 27 Dec 2025

Catherine Taylor

*Leaving France, walking into Spain, on day 1 of the Camino Frances*

This week we will be on the next leg of our Camino. So far, I have learned from hearing, and I have learned from speaking. Sue let us know that she would like to share this time, so she will be first.

As a reminder, our process for this ShareJourney time is that each person will speak their story; then we have a chance to ask questions about what we have heard; and then respond to what it is like.

Then at the end of our time, the rest of us will have a chance to share what it was like to be part of this listening process.

*On the way to Zubiri, day 2*

*"where the path of the wind crosses that of the stars"*

*Approaching Castrojeriz, day 11, about 350km into the walk*

*Sunset from Bercianos, day 15*

On another note –

I am well aware that the holiday time can be a joy, a stress or a mix of both. So now, particularly, I wish for you a place and time to take care of yourself because you are infinitely valuable.
